

With your fiance, or spouse fill in the amount each of you owe or will owe in each of the following categories. Include amounts you will have to pay once you finish school or the deferred payment period ends. Add your two subtotals together to find what your total debt will be as a couple. Be honest about all your debt. It won't help your marriage to suddenly remember some additional debt after your wedding day.

<i>Type of Debt</i>	His	Hers
<i>Student Loans</i>		
<i>Outstanding Medical Bills</i>		
<i>Outstanding Utility Bills</i>		
<i>Auto Loans</i>		
<i>Credit Card # 1</i>		
<i>Credit Card #2</i>		
<i>Credit Card #3</i>		
<i>Credit Card #4</i>
